

Young Nephrologists' Platform

2018 YNP Annual Report

YNP Board and Ordinary Members

In 2018, the Chair of YNP was Kate Stevens (UK). At the ERA-EDTA Copenhagen Congress, 2 board members ended their term: Ana Carina Ferreira (Portugal, former Chair) and Davide Bolignano (Italy). Instead, the following 2 members joined the board: Shrikant Ramesh Mulay (Germany, Stanley Shaldon Awardee (SSA)) and Thomas Schachtner (Germany).

At the end of 2018, the YNP Board thus consisted of: Abduzhappar Gaipov (Kazakhstan), Albertien van Eerde (The Netherlands, SSA), David Arroyo (Spain), Emilie Cornec-Le Gall (France, SSA), Kate Stevens (UK, Chair, SSA), Maria Haller (Austria) and Martin de Borst (The Netherlands), Shrikant Ramesh Mulay (Germany, SSA) and Thomas Schachtner (Germany).

Around the end of 2018, YNP had approximately 1850 members. On social media, YNP currently has 1288 Twitter followers and 1165 Facebook members.

YNP National Representatives

In 2018, YNP had 29 national representatives. The aim of this group is to improve communication between YNP and the various local young nephrological communities. The full list of YNP Representatives can be found on the website: <http://web.era-edta.org/ynp-national-representatives>

Free Membership Project

Abstract-based: in 2018, YNP allotted all the congress based free memberships (30 best abstracts submitted by YNP Members for the 2018 ERA-EDTA Congress in Copenhagen). Publication-based: in 2018, YNP offered 7 (out of 20) of the publication based free memberships. The manuscripts were published in NDT and ckj.

More information on the project and the names of the winners, can be found on the website: <http://web.era-edta.org/ynp-free-membership-program>

Advisory Program

YNP had two active pairs that finished their collaboration in 2018, namely: Aiperi Asanbek kyzy (Advisee) - Elena Zakharova (Advisor) and Matija Crnogorac (advisee) - Vladimir Tesar (advisor).

More information on the project and the names of all advisors and advisory pairs, can be found on the website: <http://web.era-edta.org/era-edta-ynp-advisory-program>

2018 ERA-EDTA Congress

YNP held a CME Course in collaboration with the Vascular Access Society (VAS), consisting of a first part with lectures and a second practical part:

Scientific Programme

55th ERA-EDTA CONGRESS
Copenhagen Denmark May 24th - 27th 2018

CONGRESS HALL A3 12:15 - 16:30

CME COURSE 10

YNP
(Young Nephrologists' Platform)

In collaboration with VAS, the Vascular Access Society

Hands on vascular access: focus on which access, access complications and surveillance, including practical demonstration of fistula imaging

Part I

Chairs: **Maria Haller**, Linz, Austria
Chair to be confirmed

How to choose the right dialysis access for the individual patient
Maurizio Gallieni, Milan, Italy

Vascular access and infection; avoidance and management
Peter Thomson, Glasgow, United Kingdom

Methods for vascular access surveillance: to ultrasound or not
José Ibeas, Barcelona, Spain

ERBP Vascular Access Guideline 2018
Evi Nagler, Ghent, Belgium

Part II

The practical section of this course will involve demonstration of fistula imaging and the opportunity to practise fistula imaging on real patients. Additionally, there will be catheter insertion demonstration stations with the opportunity to practise on high quality phantoms.

Please note that the lectures are open to all but the practical section will be limited in number and thus places will be allocated on a "first come, first served" basis.

THURSDAY, MAY 24

YNP also had 7 YNP-branded speakers in various sessions throughout the congress programme.

Scientific Programme

55th ERA-EDTA CONGRESS
Copenhagen Denmark May 24th - 27th 2018

C1-M3 11:45 - 13:15

Free Communication Session 5 + Mini Lecture

Clinical nephrology 1

Chairs: **Dita Maixnerova**, Prague, Czech Republic
Angela Yee Moon Wang, Hong Kong, Hong Kong, P.R. China

Mini lecture
Using digital and mobile tools in clinical research
Mitchell Lunn, San Francisco, U.S.A.

YNP/ASN Exchange

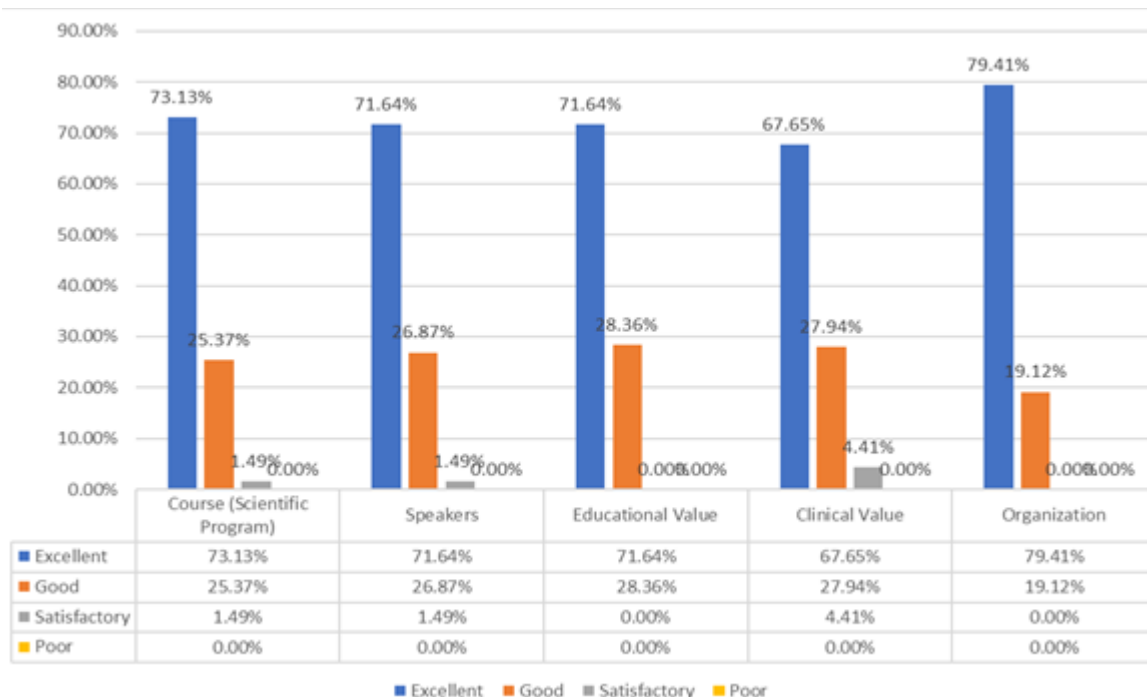

FRIDAY, MAY 25

Other YNP activities organised during the Congress were the YNP Meet & Greet, meet the YNP at the ERA-EDTA booth and included interviews in Congress journal and ERA-EDTA TV.

2018 YNP CME Course

YNP organized the 2018 YNP CME Course in Belgrade, Serbia on 8-9 October 2018 (YNP CME Course page: <http://web.era-edta.org/ynp-cme-course-genetics-and-kidney-diseases>). 89 people from 23 different countries participated in the Course. 71 participants completed the evaluation form, with the general evaluation of the course showing the following results:

Contact with societies

National Societies: YNP continues its initiative where National Societies can send a request to have a YNP member as a speaker at the national meetings.

ASN – In 2018, ERA-EDTA and ASN had another exchange of young speakers between the two international congresses. Dr Mitchell Lunn was suggested by ASN and spoke at session as outlined above. Dr Emilie Cornec-Le Gall was selected by YNP and spoke at the 2018 ASN Kidney Week.

VAS – YNP closely collaborated with VAS to offer young nephrologists a practical course on Interventional Nephrology, which took place at the 2018 ERA-EDTA Congress.

Free registrations and benefits – YNP offered its members to apply for 10 free registration to the Nephro Update Europe 2018 course in Budapest and up to 25 registrations for the 2019 Cardionephrology in Rome and 50 euro discount for the OGSS, Oxford 2018.

GlomCon – new initiative (www.glomcon.org): round table discussion centred around a paper initially. Active participation by attendants; lively and interactive experience. The videos will also be posted online and will be freely available.

Various other YNP activities

- Reviewing for NDT/ckj
 - Collaboration with NDT and ckj to allow YNP members to gain experience of reviewing articles for publication.
 - This list will also be offered the opportunity to review congress abstracts.
- Focus on the European Nephrology Exam
 - Interview with Jorge Cannata, Jonathan Fox and a previous exam candidate
 - NDT digest by Derek Waller, Associate Medical Director MRCP(UK)
 - Working on ways in increasing the practice question pool
- YNP members asked to register on research gate and google scholar – anonymous list of scores can be used to help select speakers (objectively)

Budget

YNP finalized the 2018 financial balance in line with the approved budget.
