

How to vote for EKHA's proposal for an EU Health Thematic Network for 2019

Step 1. If you are not already registered to EU Health Policy Platform please do it at this [link](#).

If you are already registered please Log in.

Step 2. Once you are logged in please click on your name on the top

and fill in the additional info as in the image below. A Transparency code is requested, **please ask to your institution its code or ask to create one.**

When existing you can retrieve it from [here](#).

The image shows a registration form titled 'About your organisation'. It contains several fields: 'Organisation name' (text input), 'Sector' (dropdown menu with 'Organisations representing health professionals' selected), 'Type' (dropdown menu with 'European' selected), 'Country' (dropdown menu with 'Belgium' selected), and 'Transparency Registry Number (**)' (text input). Below the last field is a note: '(**) You can register in the Transparency Register [here](#) . If you are a governmental organisation please write n/a.' At the bottom is a large text area for 'Mission of your organisation'.

Step 3. Once your log in is approved (you will receive a confirmation e-mail) you can click on the link below

Poll open: vote and select the Thematic Networks of 2019! NEWS Pin

08 November 2018 by Blanca ALFARO [European Commission] in the Agora Network network

Every year, the EU Health Policy Platform hosts 3 Thematic Networks, led by health stakeholders. These temporary networks have the ultimate aim of producing a Joint Statement in the policy area of common interest.
This year's 6 Thematic Network finalists, listed in alphabetical order, are:
