EU4Health 2021-2027 - a vision for a healthier European Union

EU4Health is the EU's ambitious response to COVID-19. The pandemic has a

major impact on patients, medical and healthcare staff, and health systems in Europe. The new EU4Health programme will go beyond crisis response to address healthcare systems' resilience.

EU4Health, established by Regulation (EU) 2021/522, **will provide funding to eligible entities, health organisations and NGOs from EU countries, or non-EU countries associated to the programme.**
