

YNP FREE MEMBERSHIP PROGRAMME

- I. **Paper based free membership.**
 1. Only current YNP members can receive this free ERA membership;
 2. A 1-year free membership will be given to all YNP members who have had an accepted original or review publication in NDT or CKJ (subject to availability);
 3. This type of 1-year free membership can be received only twice by the same person;
 4. This free membership can be used for the current calendar year or the consecutive calendar year in which the paper is accepted;
 5. This free membership cannot be given to eligible winners who have already received a free membership by ERA under another program for the current year;
 6. Only the first or corresponding/senior/last author can receive this free ERA membership;
 7. The member has to send the “pdf” form of her/his paper to the YNP (ynp@era-online.org) in order to apply for this free membership;
 8. Free memberships give the same benefits as the Junior Membership;
 9. No more than 20 free memberships can be given each calendar year, therefore no more than 20 applications will be supported each year: the selection will be done on a first come-first serve basis.

II. Congress based free membership.

1. Only current YNP members can receive this free ERA membership;
2. A 1-year free membership will be given, automatically, to the authors who have submitted an abstract that is accepted for presentation in an ERA Congress (subject to the Paper Selection Committee review);
3. This 1-year free membership obtained through this programme can be received only twice by the same person;
4. This free membership can be used for the current calendar year or the consecutive calendar year;
5. This free membership cannot be given to eligible winners who have already received a free membership by ERA under another program for the current year;
6. Free memberships give the same benefits as the Junior Membership;
7. No more than 30 free memberships can be given each calendar year;
8. The selection is based on the quality score of the abstract. The first best 30 abstracts should be selected.
9. Each member has to indicate whether she/he wants to apply for this free membership programme when she/he submits her/his abstract to the Congress.
