

OPEN CALLS 2022 REQUIREMENTS

SCIENTIFIC ADVISORY BOARD (SAB)

In order to be eligible, the applicant must:

1. be an ERA Full member
2. not be a Council Member
3. being well known and experienced scientists in one or more of the following fields – this list is not exhaustive, but it provides a spectrum of topics covered by initiatives normally judged by the SAB:
 - Fluids and electrolytes, tubular transport, renal physiology, nephrolithiasis
 - Hereditary disorders, development, pregnancy, paediatric nephrology
 - Glomerular disease and general clinical nephrology
 - CKD – pathophysiology, epidemiology, prevention, progression, aging
 - Kidney Failure, Kidney function replacement Therapies
 - Transplantation and immunology
 - Hypertension, diabetes, vascular diseases
 - AKI, intensive care nephrology
4. submits up to 15 most cited and highest ranked papers
5. mention their own H-Index (Web of Science must be used for this calculation)
6. complete the relevant [application form](#)
7. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

EUROPEAN RENAL BEST PRACTICE (ERBP)

In order to be eligible, the applicant must

1. be a nephrologist or non-nephrologists (more information of non-nephrologists' position can be found [here](#))
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. not be an ERA Council member

4. complete the relevant [application form](#)
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

Chronic Kidney Disease and Metabolic Bone Disease (CKD-MBD) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the CKD-MBD Working Group (ordinary or Board) he/she wishes to apply for.
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

Developing Education Science and Care for Renal Transplantation in European States (DESCARTES) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the DESCARTES Working Group (ordinary or Board) he/she wishes to apply for
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

Diabetes and Obesity (DIABESITY) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the DIABESITY Working Group (ordinary or Board) he/she wishes to apply for
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

European Renal Nutrition (ERN) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the ERN Working Group (ordinary or Board) he/she wishes to apply for
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

European Dialysis (EUDIAL) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the EUDIAL Working Group (ordinary or Board) he/she wishes to apply for.
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

European Renal & Cardiovascular Medicine (EURECA-m) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the EURECA-m Working Group (ordinary or Board) he/she wishes to apply for
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area

Immunonephrology (IWG) Working Group

In order to be eligible, the applicant must:

1. have a proven track record of relevant scientific expertise that would justify his/her being part of the Board
2. be an ERA Full member (exceptions to this last rule can only be made for non-nephrologists)
3. complete the relevant [application form](#)
4. send his/her application and CV together with two supporting letters from two members of the Immunonephrology Working Group (ordinary or Board) he/she wishes to apply for
5. fill in/up-date the Disclosure of Interest form in the relevant section of the [My ERA](#) digital area
