These e-mails are sent by fraudsters to extract money using our Council Members' names or the Association's name. Please ignore these messages and any e-mail asking for money transactions.

Kindly note that scammers use very similar e-mail addresses, they may differ by a single letter or domain. **You will never receive any such requests from the ERA or ERA Members.**

If you are contacted by such scammers or have any questions, please don't hesitate to contact us at secretariat@era-online.org
