

ERA-EDTA supported CME Course

Nephrology underpinning for the young doctor

3/02/2012 – Monday

15h00 – 15h15

Room A :

- **Welcome:**
- **Course Introduction & Objectives:**

15h15 – 17h00

Room A:

Plenary Session :

1. CKD: What is new
2. Recurrence of original kidney disease after renal transplantation
3. A systematic approach to enhance utility of urinalysis

Coffee Break 17h00 -17h30

17h30-18h30

Room A:

The proteinuric patient: Broad management issues

- Work up for the proteinuric Patient
- Complications of the nephrotic syndrome
- Nephrotic syndrome: nutritional aspects

Room B:

Transplantation and immunosuppression

- Immuno-suppressive protocols: Selection factors
- Preparing ESRD patient for kidney transplantation

- Complications of Immunosuppressive therapy

18h30-19h30

Let us make consensus:

Room A

- **Clinical nephrology:** Let us make consensus on management of idiopathic glomerulopathies in adults

Room B

- **Transplantation:** Let us make consensus on management of some early post-transplant complications

19h30 – 20h30

Room A:

Acute Kidney Injury

- Risk assessment and prevention of hospital-acquired AKI
- Fluid management in patients with AKI
- When to start RRT in patients with AKI

Room B:

Kidney in systemic diseases

- Hypertensive nephrosclerosis revisited
- Renal vasculitis: classification and diagnostic work-up
- Diabetic Nephropathy: Objectives and general lines of management

Dinner 21h00

14/02/2012 – Tuesday

8h30 – 9h30

Room A:

- **Round table : Atypical Hemolytic uremic syndrome**

9h30-10h10

Room A:

- **Contest on urinalysis**

Test your cleverness in interpreting urinalysis

10h10-11h10

Room A:

Transplantation: FAQs

- Early renal allograft loss
- Work up for chronic allograft dysfunction
- Management of HCV infection in renal allograft recipient

Room B:

Dialysis: FAQs (Chairs: A Afifi, Ain Shams - E Amin, Zagazig)

- Preparing your new patient for Hemodialysis
- Which ESRD patient should go for PD?
- Intradialytic complications of hemodialysis

Coffee Break 11h10 -11h40

11h40 – 12h40

Room A:

Symposium: Kidney, Bone and Blood Vessels

12h40 – 14h00

Room A:

- **Meet the experts**

Open discussion: participants will have the opportunity to exchange knowledge in clinical practice with International and Egyptian leading experts in nephrology and kidney transplantation

14h00 – 14h15

- **Closing Remarks, Certificates**

Lunch 14h30
