

# LET'S MAKE ERA26 A BIT GREENER!

JOIN US IN THIS IMPORTANT JOURNEY

## Tips for sustainable participation at ERA26

### LEARN & SHARE

ERA26 supports The Green Team and The Bee Trail to help offset the Congress's environmental impact. These initiatives promote sustainability, empower young people, and offer an interactive trail of 24 beehives across the city, guided by a QR-code map. [Discover more.](#)

### CHOOSE SUSTAINABLE TRANSPORTATION

You can travel to Glasgow not only by plane but also by train. Please consider this option to **reduce emissions by up to 85%** and help protect the environment. We have **special offers for delegates**: the ScotRail Conference Rover offers five days of unlimited rail travel within the Conference Zone for just £5, and Avanti West Coast provides a 15% discount for ERA Congress delegates wishing to travel to Glasgow by train. [More details here.](#)

### BRING YOUR REUSABLE ITEMS

Bringing a **refillable water bottle** also helps! You will be able to fill/re-fill on site.

### WASTE REDUCTION

Dispose of your waste (PET, glass, paper, metal, batteries, etc.) via the **separate collection systems** provided at the hotel and at the event venue.

### RECYCLE YOUR LANYARD

If you still have your ERA lanyard from last year, bring it along! Reusing it in Glasgow is a small step but it helps cut down on materials (production, shipping, etc.).

### ENGAGE IN SUSTAINABLE CATERING

Enjoy **locally sourced food**, including **vegetarian** and **vegan** options, provided by our caterers, and avoid single-use plastics.

### ENERGY CONSERVATION

**Turn off** computers, laptops and other electronic devices when not in use. Recharge them only when needed.

### GO DIGITAL AND REDUCE PAPER USAGE

Access congress materials and schedules through our official **Congress app** and **Virtual Congress** to reduce paper waste.

### ECO-FRIENDLY CITY TRAVEL

Once in the city centre, the SEC – Scottish Event Campus is a three-minute train ride from Glasgow Central. If you arrive at the second Main station „Queen Street“, you'll need to walk or get a bus to Central (5-10 min) to continue your journey by train.

### OFFSET YOUR CO<sub>2</sub> EMISSIONS

If you cannot or do not want to do without your car, or if you travel by plane, you can **offset your CO<sub>2</sub> emissions** by means of compensation payments.
